

Bakery Experience Birthday Parties & Field Trips

Schedule

Arrival at the Livonia Bakery's Café (at the scheduled time). 33615 7 Mile Rd. Livonia.

As kids arrive, they will be assisted with putting on a work apron and a working cap.

After all kids have arrived and mom says ready, the party leader will begin with a welcome speech.

After a quick photo, we will then lead the kids to the bakery/kitchen, where they will get a brief explanation of what we do & what the machines are for, etc.

At this time the kids will stand side-by-side at the kitchen work bench where they will get to dress their own personal pizza. The crust will already be in the pan. The kids will sauce & cheese their pizza (pepperoni will be available for those who want it.)

When all of the pizzas have been completed, they will each be labeled and placed in the oven to bake for 15 minutes.

The kids will then go to the cafe to decorate their personal cakes while the pizzas bake.

Each kid will get a personal size cake and a decorating station with all sorts of edible decorations.

They will then get to decorate the cake to their liking.

After all kids have decorated their cakes, all of the cakes will be labeled with names and temporarily taken away so that the kids can eat lunch.

Lunch will be pizza & drinks. Personal pizzas, water, lemonade and pop. plus any pizza, etc. for the adults (if ordered)

Opening of the gifts.

The kids will join in and sing HAPPY BIRTHDAY to child and eat cake (not the one they made).

The cake they made will be a keep sake for each child to take with them, along with any leftover pizza and a paper bakers hat.

Minimum Requirement: 10 kids

Cost: \$12 per child. Includes kids' pizza, cake & drinks.

Cost for 1/2 experience (field trips): \$8.50 includes patch for scouts.

Note: Minimum deposit required at time of reservation.

At end of party, the parent settles for balance owed.
